

**SCHOOL DISTRICT OF GREENFIELD
FAMILY AND MEDICAL LEAVE PROCEDURE**

I. Introduction

- a. Pursuant to Board policy 3430.01/4430.01, the School District of Greenfield (“District”) provides leaves of absence designed to meet the requirements of the Wisconsin Family and Medical Leave Act (“WFMLA”), and the Federal Family and Medical Leave Act (“FFMLA”).
- b. Accordingly, this document is intended to inform employees of benefits available under the FFMLA and the WFMLA.
- c. As the two laws intersect and overlap substantially, whichever law provides the employee the greatest benefits will be granted.

II. Purpose of the Family and Medical Leave Laws

- a. Both the FFMLA and the WFMLA are designed to allow employees to be absent from the work place for their own personal health condition, to care for the serious health condition of an immediate family member, or for the birth or adoption of a child. While on leave, employees retain their group health benefits.
- b. Both laws ensure that employees will not jeopardize their employment status because of the reasons listed above.

III. Eligibility

- a. For FFMLA eligibility, an employee must have worked for the District at least 1,250 hours in the preceding 12 months and employed for at least 12 months.
- b. For WFMLA eligibility, an employee needs to be employed with the District for 52 consecutive weeks and have been paid for 1,000 hours during the 52-week period immediately preceding the leave.

IV. Leave Entitlement

- a. Under the FFMLA, eligible employees are entitled to 12 weeks of leave per 12 month period for any and all of the following:
 - i. The serious health condition of the employee;
 - ii. The serious health condition of the employee’s parent, child or spouse;
 - iii. Because of any qualifying exigency arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty in the Armed Forces in support of a contingency operation;
 - iv. The birth or adoption of the employee’s child;
 1. Leave must be taken within the 12 months following the date of birth of the child.
- b. Under the FFMLA, “Servicemember Family Leave” allows an eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember shall be entitled to a total of 26 workweeks of leave during a 12month period to care for the servicemember.
- c. Under the WFMLA, an eligible employee is entitled to:
 - i. 2 weeks for the employee’s own serious health condition;
 - ii. 2 weeks for the serious health condition of a parent, child, spouse, or domestic partner, as defined in Wis. Stat. § 40.02(1) or 770.01(1) or parent of a domestic partner; and

- iii. 6 weeks for birth or adoption of the employee's child (leave must begin within 16 weeks of child's birth)
 1. Employees may choose that accrued paid leave be used during a leave pursuant to the WFMLA
