### 5830 - STUDENT FUNDRAISING

The School Board acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and may also disrupt the program of the schools.

For purposes of this policy "student fundraising" shall include the solicitation and collection of money from students for any purpose and shall include the collection of money in exchange for tickets, papers, or any other goods or services for approved student activities.

The Board will permit student fundraising by students in school, on school property, or at any school-sponsored event only when the profit therefrom is to be used for school purposes or for an activity connected with the schools. The Board requires that fundraisers by student clubs and organizations that involve the sale to students food items and/or beverage that will be consumed on campus, the food and/or beverages items to be sold comply with the current USDA Dietary Guidelines for Americans, the Smart Snack Rules and the Healthy Hunger-Free Kids Act of 2010. Fundraisers that involve the sale, to students, of food items or beverages to be consumed on District property shall not compete directly with the sale of reimbursable meals.

Fundraising by approved school organizations, those whose funds are managed by the District, may be permitted in school by the Principal.

Fundraising off school grounds may be permitted by the Superintendent.

Fundraising by students on behalf of school-related organizations whose funds are not managed by the District may be permitted on school grounds by the Superintendent. If the fundraising activity will involve students under age nine (9) or the group holding the fundraiser includes any students under age nine (9), the group shall secure permission from such students' parents to participate in the fundraising activity and shall assure that any such students are always accompanied by a parent or a person at least sixteen (16) years of age.

All other fundraising shall be done in accordance with Board Policy 9700.

The Superintendent shall establish administrative guidelines for the solicitation of funds which shall:

- A. specify the times and places in which funds may be collected;
- B. describe permitted methods of solicitation which do not place undue pressure on students;
- C. limit the kind and amount of advertising for solicitation;
- D. ensure proper distribution or liquidation of monies remaining in a student activity account when the organization is defunct or disbanded;
- E. limit the number of fundraising events.

The Superintendent shall distribute this policy and the guidelines which implement it to each organization granted permission to solicit funds.

- B. Food items and beverages available for sale to students in vending machines for consumption on campus shall comply with the current USDA Dietary Guidelines for Americans and Smart Snack Rules.
- C. The District's share of the revenues is managed by the District in accordance with relevant Board policies and administrative guidelines.
- D. No products are vended which would conflict with or contradict information or procedures contained in the District's educational programs on health and nutrition.

The Superintendent shall develop and implement administrative guidelines that will require these conditions are adhered to on a continuing basis.
