December 2012

Dear Greenfield Families:

Every year the Department of Public Instruction (DPI) evaluates the progress that English language learners (ELLs) are making in learning English and achieving academically. Districts that receive supplemental funding from the federal government for serving ELLs are required to meet three Annual Measurable Achievement Objectives (AMAOs).

Our district's results for the school year 2011-12 are:

Summary Determinations	2009-10	2010-11	2011-12
AMAO 1: Making Progress in learning English	Yes	Yes	Yes
AMAO 2: Attaining English language proficiency	Yes	Yes	Yes
AMAO 3: Reaching academic standards in Reading and Mathematics	Yes	Yes	Yes
Status	Satisfactory	Satisfactory	Satisfactory

We are proud that our district has met all of the objectives for this year. We continue to set goals, plan, and reflect on the services we provide in order to best meet the needs of all of our students. Our goal is to help all English language learners attain English proficiency and meet academic standards. If you have any questions or suggestions, or would like more information on our programs, please contact me at 414-281-3316.

Sincerely,

Lori Maldonado
ELL Coordinator
